Pin-Up Contest

We are looking for a pinup girl who can carry herself in a crowd but who shines above the rest, someone who is positive, professional, kind and compassionate. This is not a contest based on popularity or appeal, but inner beauty, personality and poise! This is a contest to showcase the classy glamour of the 1950's!

Ladies, this is just a sophisticated and classy contest, to honor the simple beauty of eras past. So set your Victory Rolls, heels, and find that perfect shade of red lipstick. Put on that black pencil skirt or fluff up that crinoline because the stage is waiting. Don't forget to bring your sweet, bright, and classy personality with you!

Please take a moment and read the rules of the contest.
